Gold Canyon Candles Provides Donation To Help Brevard County Child Abuse Victims

Melbourne, Fla. — The Gold Canyon Candle Company's "Prayer Child" Program donated \$500 to The Children's Advocacy Center of Brevard, a non-profit organization that intervenes in the most severe cases of child abuse in Brevard County.

Gold Canyon Candle Company, established in 1997 in Mesa, Arizona by Curt and Karen Waisath, works through independent distributors across the country selling fragrant candles and accessories for the home.

In September of 2000 the company united with its local distributors in an effort to aid children whose path has lead them to live in lesser circumstances. Since then Gold Canyon Candle Company and its many distributors have positively impacted children's lives through their generous contributions to children's service organizations throughout the nation.

Kathy Biehl, a Brevard County Gold Canyon Candle Representative, was instrumental in assisting the Children's Advocacy Center in obtaining this needed donation.

The Children's Advocacy Center of Brevard intervenes in the most severe cases of child abuse found in Brevard County by uniting child protection specialists from multiple agencies under one roof in a child-friendly environment.
